Subject: Choice Bill Draft

Hi Peter. OK, attached is the proposed language for the temporary fix regarding the Milwaukee Parental Choice 15% caps. Like we discussed, the language is fairly simple - give me a shout if I have messed anything up.

Also, I have an odd ball question for you - do you remember last session when Leah asked me to send you a copy of a paper she wrote for the WI Policy Research Institute concerning standards & testing? She had intended to have a bill drafted. However, you had a couple questions that came about as you began drafting the bill and you sent her an Email. Would there be any possibility you might have a copy of those questions you had? The reason is that Leah still intends on having the Bill drafted. I am attaching another copy of the article she wrote, this draft does not require the same attention as the Choice caps. It's just something she would like to do this session.

Peter, thankx a mil for your help and have a wonderful holiday!!

cheers,
deano

1 AN ACT *to amend* 119.23 (2) (b) of the statutes; **relating to:** prohibiting the
2 Department of Public Instruction from selecting pupils for the Milwaukee
3 Parental Choice Program on a random basis.

Analysis by the Legislative Reference Bureau

Under current law, the number of pupils who may attend a private school under the Milwaukee Parental Choice Program is capped at 15 percent of the enrollment of the Milwaukee Public Schools (approximately 15,000 pupils). If in any school year there are more spaces available in the private schools participating in the program than the maximum number of pupils allowed to attend the private schools under the program, the law directs the Department of Public Instruction (DPI) to prorate the number of spaces available at each participating private schools.

[illegible]

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

¶ This bill eliminates the 15 percent cap
for the 2005-06 school year. The bill
provides that the number of pupils who
